

Clean-up

Clean-up is an important role to support the fellowship of the church and to maintain the cleanliness of the kitchen area and vestry.

On a regular Sunday:

Cups and silverware go in the dishwasher; run it if fairly full.
Dump-out leftover coffee and rinse the pots.
Return supplies to the appropriate place;
Wipe down the counters, unplug all the pots;
Turn out the lights.

On a brunch Sunday:

Enlist help with the clean-up after brunch.
Oversee the clean up, making sure that dirty dishes get bussed into the kitchen
and
the recycling of the trash.
Fill the dishwasher and start it.
Tables need to be cleaned and returned to their spot along the wall.
Chairs need to be stacked on their racks.
Make sure the floor is swept and that the vestry is ready for next week.
